### Call For Papers

The ISEE Conference Program Committee is issuing an industry wide Call for Papers to be presented at the 36th Annual Conference and published in the Conference Proceedings.

Here's your chance to share your techniques, strategies, solutions, product innovations, and research discoveries with your peers.

Ideas should be submitted in the form of a 200-400 word abstract (summary) highlighting the major points of your 10 to 15 page paper. Papers may not be commercial in nature.

Abstracts must be submitted by completing the online Abstract submission information by June 15, 2009. The submission site, guidelines, instructions and deadlines can be viewed at [www.isee.org](http://www.isee.org). Please contact us if you do not receive confirmation within two weeks of submitting your abstract. Chapter sponsored papers must be submitted by the deadline.

### Presentation Formats

#### General Sessions

Accepted papers scheduled for presentation in the General Session are presented by authors to the audience in a lecture style format with time for questions and answers. Papers in the General Session are peer-reviewed and published.

### Suggested Topics
