

MID-AMERICA BLASTING CONFERENCE NOVEMBER 3-5, 2010

The bi-annual Mid-America Blasting Conference will be held on November 3-5, 2010 at the Resort at Port Arrowhead at the Lake of the Ozarks. The conference is sponsored by the Heartland and Mississippi Valley ISEE chapters and the Missouri University of Science and Technology student chapter. It provides a unique opportunity for you to reach blasters in the heartland of America.

You will have the opportunity to exhibit your products to a diverse group of users. There will be an exhibitor reception on Wednesday evening. The reception will feature a cash bar and appetizers. Also, breaks will be located in the exhibit areas. The exhibit areas are located close to the meeting room so that potential customers will have easy access to the exhibits.

Sponsorship opportunities will be available for the exhibitor reception and the various breaks. Sponsors will have their company names prominently displayed in the exhibit area and the sponsors will be mentioned throughout the sessions.

If you would like to be an exhibitor at the Mid-America Blasting Conference, we would love to have you. Space is not unlimited however. To be placed on the exhibitor list, please fill out the bottom of this form and return it to the Mid-America Blasting Conference, P. O. Box 1256, Joplin, MO 64802-1256 or send the information in an email to rwheeler@whiteseis.com. Registration and exhibitor information will be forthcoming.

Thank you in advance for your support of the conference.
