

"BLASTING THE ALICEVILLE BRIDGE - A SOCIETY JOINT VENTURE"

E. Emery Gray, Jr., President
EGA, Inc.
Glen Allen, Virginia

Gary Ard, Project Engineer
Harbert Construction Company
Birmingham, Alabama

ABSTRACT

Each year when hundreds of Engineers and Specialists in the explosives industry meet for the SEE Annual Conference, new ideas are exchanged and new business relationships formed. Harbert Construction Corp. and EGA, Inc., a company specializing in drilling and blasting, formed such a relationship through mutual interest in such a manner.
