

Society of Explosives Engineers Education Foundation Scholarship Application/Renewal

Page 2: Students who have previously received SEE Education Foundation support must complete a scholarship application each year and include updated documents – resume, transcripts, letters of recommendation, as well as a need, goals, and challenge statement.

- a) Applicant's Information: Please complete this section with your school information or home address. Include your hometown, as some scholarships have geographic requirements or preferences.
- b) College Program: Scholarship recipients **must** be full-time students. Include the name and address of your university, academic year and educational objective. Also indicate any previous colleges you've attended, degrees attained and from where.

Page 3: Please list all information for your current university's financial aid office, including contact name.

List any current earnings, including any additional scholarship funding, other sources of income such as parental support, summer employment or school year jobs.

List all school-related expenses and include tuition, books, fees, and education expenses.

Please indicate your current employment status and include a copy of your most recent résumé.

Challenges, Goals, and Financial Need: The Challenges, Goals and Financial Need Statements are required components of the Scholarship Application. These should be presented by you in writing, with one portion addressing your goals, one addressing the challenges you have faced, and another identifying financial need that any scholarship funds would fulfill. These personal narratives will be provided to the review committee to aid in evaluating the application. These components should demonstrate who you are as an applicant, what your career aspirations are, the challenges you have faced, and what you will do with the scholarship funds. The purpose of the statements is to provide the review committee a more well-rounded description of who you are as an applicant, where you hope your career will take you, and why you are applying for scholarship funding.

Page 4: Your application must include two signed letters of recommendation from people who are not family members. They should be from those who can speak to who you are as a person and as a student. These references should have knowledge of your academic ability, career aspirations, or of the challenges you have faced. One letter **should** be from an academic reference and one **should** be from a professional or career-related reference. Letters received by the SEE Education Foundation should correspond with the names listed on the application.

Please indicate whether you permit the ISEE and the SEE Education Foundation to contact your college or university to verify enrollment status, financial need or to use your photograph and/or name in promotional materials.

Your completed scholarship application should be EMAILED to isee@isee.org. Please use the checklist provided to ensure your application is complete and received by the due date.

Page 5: Scholarship Agreement Form: SEE Education Foundation Scholarship funds are sent directly to the college or university you are attending and are to be used for tuition and related expenses. By completing this section you are agreeing to abide by the guidelines set forth by the SEE Education Foundation and should you not complete the program of education in which you were enrolled the total scholarship monies are to be returned to the Education Foundation.

Please complete the Student Information section with your school address and contact information and complete the Department Information section with the contact name and information for the Department Head or main Department contact for your education program or the person to whom scholarship funds are to be sent. The Agreement Form **must** be received in order to obtain SEE Education Foundation Scholarship Funding.

Society of Explosives Engineers Education Foundation Scholarship Program Application Packet

All applications will be reviewed by the SEE Education Foundation Scholarship Review Committee. Awards are based on career résumé and personal goal statement; academic potential; written communications; statement of financial need; and ability to overcome personal challenges.

Please Note: Late or incomplete applications will not be considered by the Scholarship Committee.

Students re-applying for SEE Education Foundation Scholarships must complete the application form each year and include an updated work and experience résumé; financial information; current academic transcripts and; letters of recommendation.
